Each year the Bettie Brand Mothers' Empowerment Fund awards grants (not to exceed \$10,000 and to be used within 3 years) for a Georgia woman 17 years or older who needs a hand up (not a hand out) in order to help her live a life of independence with dignity. In addition, each recipient is asked to 'pay it forward' in whatever way she finds possible in the future (example: volunteering to help another woman in need). In 500 words or less, please tell us, below, why you believe she is one of the best candidates for this year's **Bettie Brand Mothers' Empowerment Fund Spirit Award**. Thank you for your time and efforts.
